

## A MESSAGE FROM THE Saratoga County Chamber of Commerce

Supporting local businesses and professional offices is the best way to assure the future quality of life in Malta and Ballston Spa.

These local firms provide their expertise to Ballston Spa and Malta government, educational institutions, non-profits, youth sports, and senior agencies.

They also make major financial and product donations to almost every organization in our towns.

Without these local firms our taxes would be higher, some of our neighbors wouldn't have jobs, and services to all our residents would be lessened.

Help save the unique character of our towns by supporting those who support us and ours year-round. The following are Saratoga County Chamber member businesses and organizations in the 12020 zip code area.
