GET FOUND ON THE WEB THROUGH YOUR CHAMBER

Are you reaching thousands of potential customers that are looking online for products and services in and around Saratoga County?

The answer is **yes** - through your membership with the Saratoga County Chamber.

Every member, whether you have a web site or not, is listed in the online membership directory free of charge. You can also add a link to your website for a one-time fee of \$25. Potential customers use the online member directory to find everything from Abstract/Title Agencies to Wood Products (sorry - no xylophone players, yodelers or zoologists are members). The top 20 searched for industries are real estate, restaurants, insurance, contractors, hotels, banks, construction, graphic design, manufacturing, spas, attorneys, architects, marketing and ad agencies, financial services, landscaping, interior design, massage, golf, printing, and computer services. Through August, 1, 2008 over 21,000 different searches have taken place through the Chamber's online directory.

Don't have a website yet? Try our web starter package. You can get your business online for just \$125. It includes design and hosting of a one page website and includes your one-time fee to link your website to your online Membership Directory listing on the Chamber's website.

It's also easy to promote your upcoming event, recent hires, accolades and more through the member news section. Chamber members will find out about your successes and learn more about your business by visiting the members only section of the site. Submitting a news item is easy to do and should be a regular part of your marketing plan.

There are paid marketing opportunities to get your message across to even more customers. Members in specific industries can purchase additional directory listings or any company can purchase banner ads on most pages of www.saratoga.org to help get the word out to potential customers. Rates are kept at affordable levels to further stretch your marketing dollars.

You can also learn online from leading experts about marketing, sales, management, leadership and more via the Chamber's podcast series in the members only section. These short, informative topics help to improve your bottom line and can be accessed via the member only section of www.saratoga.org.

To learn more about any of the opportunities mentioned here, please contact Greg Dixon at gdixon@saratoga.org

MEMBER NOTES

MIXER THANKS Thank you to Gaffney's for once again hosting our July Mixer. The annual event has become a Chamber tradition and the perfect way to jumpstart the track season and celebrate summer! Hollis Palmer of Derby Tours provided over 20 members with an informative and fun tour of historic Saratoga Springs prior to the mixer. Thanks Hollis!

PUBLIC SPEAKING The Saratoga Care Toastmasters of Saratoga Hospital is a public speaking group which meets every other Tuesday from 12 to 1 p.m. Chamber members are welcome to attend the free meetings. If you are interested, call Terrie Gifford at 956-3901.

ENHANCED DRIVERS LICENSE The new enhanced drivers license (EDL) lasts for eight years and will cost \$80. The fee is \$30 more than the current drivers license fee. These EDL's can be used for land and sea border crossings in Canada, Mexico, Bermuda and the Caribbean. Beginning June 1, 2009, only a handful of documents will be acceptable for border crossing, and the New York State EDL will be one of them. They will be issued beginning in September.

MEMBERSHIP Kiley Wittig of Digital Imaging Technologies, LLC was the Top Producer for June on the Membership Committee. Jessica Petraccione from 1st National Bank of Scotia was the Top Producer of new members for July as a volunteer on the Chamber's Membership Committee. Mark Pepin of Time Warner Cable Business Class was Top Producer for the second quarter.

GREENFIELD COMMUNITY AND BUSINESS ASSOCIATION held a very successful golf tournament in July at Brookhaven Golf Club to raise money for community projects.
